# Blackbox Rules of Engagement

- NO PHYSICAL DAMAGE ALLOWED
- DO NOT DISCONNECT
- DO NOT DESTROY

The box has accelerometers inside and logs any movement.

Every time power is lost the event is logged.

**Breaking any of these rules will void the project for everyone, use your brains not your muscles.**

# CONGRATS!

You found the most pervasive vulnerabilities of all:

***physical access***

New Rules for you:

- DO NOT DISCONNECT ANY COMPONENT
- DO NOT LEAVE THE BOX OPEN
- DO NOT SHARE YOUR METHOD

Send me the following hash encrypted with your pubkey for extra points:
